Mainit at Maligayang Pagbati sa Iglesia ni Cristo sa Pagdiriwang ng ika-94 Anibersaryo nito!

SA ARAW na ito, 94 taon na ang Iglesia Ni Cristo. Halos isang siglo na pag-eebanghelyo at pagpapalaganap sa Salita ng Diyos. Halos dantaong pagtataguyod sa pananampalataya sa Panginoon, pagbababa, kapatiran, pagtutulungan at pagmamahal sa kapwa.

Mula nang itinatag ang INC sa puso ng komunidad ng mga moralita't karaniwang mamamayan sa Punta, Santa Ana, Maynila noong ika-27 ng Hulyo 1914, mabilis itong lumaganap sa halos lahat ng sulok ng bansa. Ngayon, ang pananampalataya at kapatirang Iglesia Ni Cristo ay lagapan na rin sa buong mundo.

Ngayon, ang INC ay isang matibay na maag ng pananampalataya at pagkakaisa - mga katangiang kinakailangan natin ngayon sa pagharap sa malalaking hamon ng panahon, gaya ng lumalalang krisis sa ekonomiya na nararanasan sa buong mundo sa kasalukuyan.

Tulad ng mga nakaraang anibersaryo ng INC, ang inyong lingkod, kasama ang ating mga mahal sa buhay at mga kababayan sa Cavite, ay muling bumabati at nagpupugay.

Sa araw na ito, mula sa inspirasyong hinalaw ko sa ating pakikipag-ugnayan sa komunidad ng INC sa Cavite, muli kong pinagtatibay ang ating panata ng puspusang paglilingkod sa ating mga kababayan, anuman ang kanilang pananampalataya.

Mainit at maligayang pagbati sa inyong ika-94 na anibersaryo!

Figure 1 is a line graph showing the percentage of total energy expenditure (TEE) for various activities over a 24-hour period. The Y-axis represents % TEE (0 to 100) and the X-axis represents Time of Day (0 to 24 hours). The graph shows a peak in TEE during the day, reaching approximately 100% between 10:00 and 14:00 hours, and a minimum during the night, reaching approximately 10% between 22:00 and 02:00 hours. The activities are categorized into: Sleeping (0-10%), Resting (10-20%), Sitting (20-30%), Standing (30-40%), Walking (40-50%), and Running (50-100%).

Talks collapse as Moro rebs walk out

By J. J. Garcia

Manila, Mar 21 (AP)—Peace talks between the Philippine government and the National Democratic Alliance (NDA) collapsed today as the NDA walked out of the talks.

The NDA, a coalition of Moro rebel groups, said it was "disappointed" that the talks had ended without a breakthrough. It accused the government of not being sincere in its efforts to reach a peace agreement.

The talks, which began last week, were held in a hotel in Manila. They were mediated by a group of international observers. The NDA representatives, led by Nur Misuari, the NDA's chief negotiator, left the talks after a series of disagreements over the proposed terms of a ceasefire.

The government, led by President Corason Aquino, said it was "disappointed" that the talks had ended without a breakthrough. It said it was "committed" to reaching a peace agreement with the NDA.

The talks were part of a series of negotiations between the government and the NDA. The government had offered a series of concessions, including a ceasefire, the withdrawal of government troops from the Mindanao region, and the establishment of a new political entity for the region.

The NDA had accepted these offers, but it had walked out of the talks today. It said it was "disappointed" that the talks had ended without a breakthrough. It accused the government of not being sincere in its efforts to reach a peace agreement.

The following table shows the results of the regression analysis for the dependent variable *Y* (in thousands of dollars) against the independent variables *X*₁ (in thousands of dollars) and *X*₂ (in thousands of dollars). The table includes the regression equation, the coefficient of determination (*R*²), the adjusted coefficient of determination (*R*²_{adj}), the F-statistic, and the p-value for the F-test.

Variable	Regression Coefficient	Standard Error	t-Statistic	p-Value
Intercept	10.00	2.00	5.00	0.0001
<i>X</i> ₁	0.50	0.10	5.00	0.0001
<i>X</i> ₂	0.25	0.05	5.00	0.0001

The regression equation is $\hat{Y} = 10.00 + 0.50X_1 + 0.25X_2$. The coefficient of determination is $R^2 = 0.90$, and the adjusted coefficient of determination is $R^2_{adj} = 0.88$. The F-statistic is $F = 25.00$, and the p-value for the F-test is $p = 0.0001$.

When the going gets rough, the tough go shopping— island shopping

WHEN THE going gets rough, the tough go shopping— island shopping. It's a new trend in the Philippines, where the wealthy elite are flocking to the islands to escape the heat and humidity of the city.

The islands offer a perfect escape from the city's chaos and pollution. The weather is perfect, the scenery is beautiful, and the food is delicious. The islands are also a great place to relax and unwind, away from the stresses of city life.

Island shopping is a popular activity for many of the wealthy elite. They go to the islands to buy expensive goods and services, such as yachts, private jets, and luxury homes. They also go to the islands to enjoy the beautiful beaches and clear waters.

The purpose of growing old

A golden anniversary
to celebrate a life that's well
lived and loved, and
that's making a difference in the world

By Mike Cramer, President

Purpose is the reason for which you do something. It's the driving force behind your actions, the motivation that keeps you going when the going gets tough. Purpose is the compass that guides you through life's challenges and the anchor that keeps you steady in the storm.

purpose is the reason for which you do something. It's the driving force behind your actions, the motivation that keeps you going when the going gets tough.

When you have a purpose, you have a direction. You know where you're going and what you're doing it for.

Purpose is not just a word; it's a way of life. It's the difference between a person who drifts through life and a person who lives with intention. Purpose is the secret to a life well-lived, a life that is meaningful and fulfilling.

Purpose is the light that guides you through the darkest of times. It's the fire that keeps you warm when you're cold and the strength that keeps you going when you're tired. Purpose is the key to a life of purpose.

Purpose is the reason you wake up every day. It's the reason you get out of bed and go to work, to school, to church, to the gym. Purpose is the reason you live.

Purpose is the reason you love. It's the reason you love your family, your friends, your community. Purpose is the reason you care.

Purpose is the reason you strive. It's the reason you strive for excellence, for growth, for progress. Purpose is the reason you dream.

Purpose is the reason you hope. It's the reason you hope for a better future, for a brighter tomorrow. Purpose is the reason you believe.
